Parts list for step 1: 3 red 2x3 bricks, 1 white 2x3 brick, 1 black 2x3 brick, and 1 red 4x6 brick with a white 1x6 brick and a black 1x6 brick attached to its bottom.

2

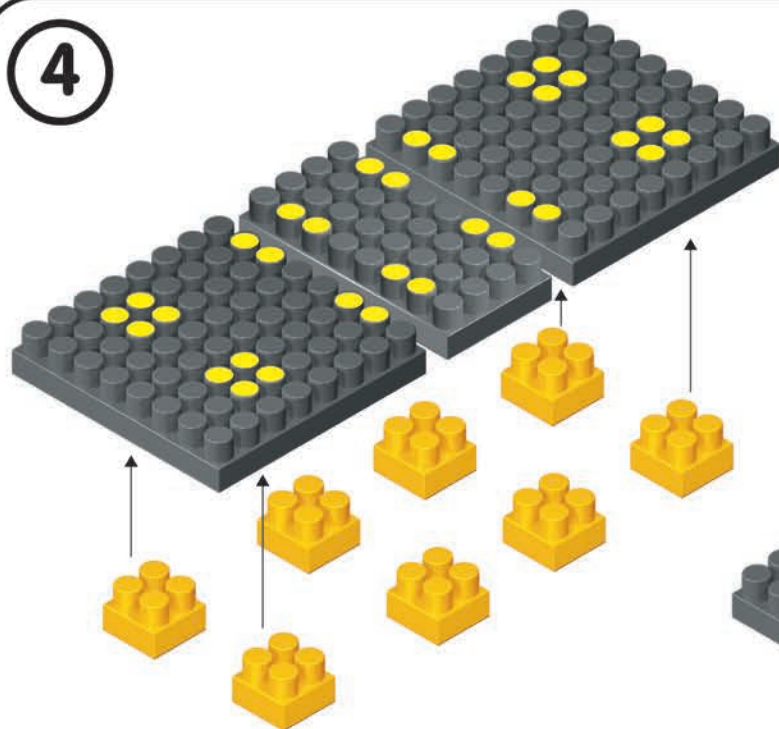

Assembly diagram for step 2: Shows the assembly of a wall structure. Red 2x3 bricks are placed on top of the wall. Light blue 1x6 bricks are placed horizontally. A yellow 1x6 brick is placed on top of the wall. A green 1x2 brick is placed on the black base plate. The black base plate has a 4x6 grid of studs, with some studs colored white and green.

3

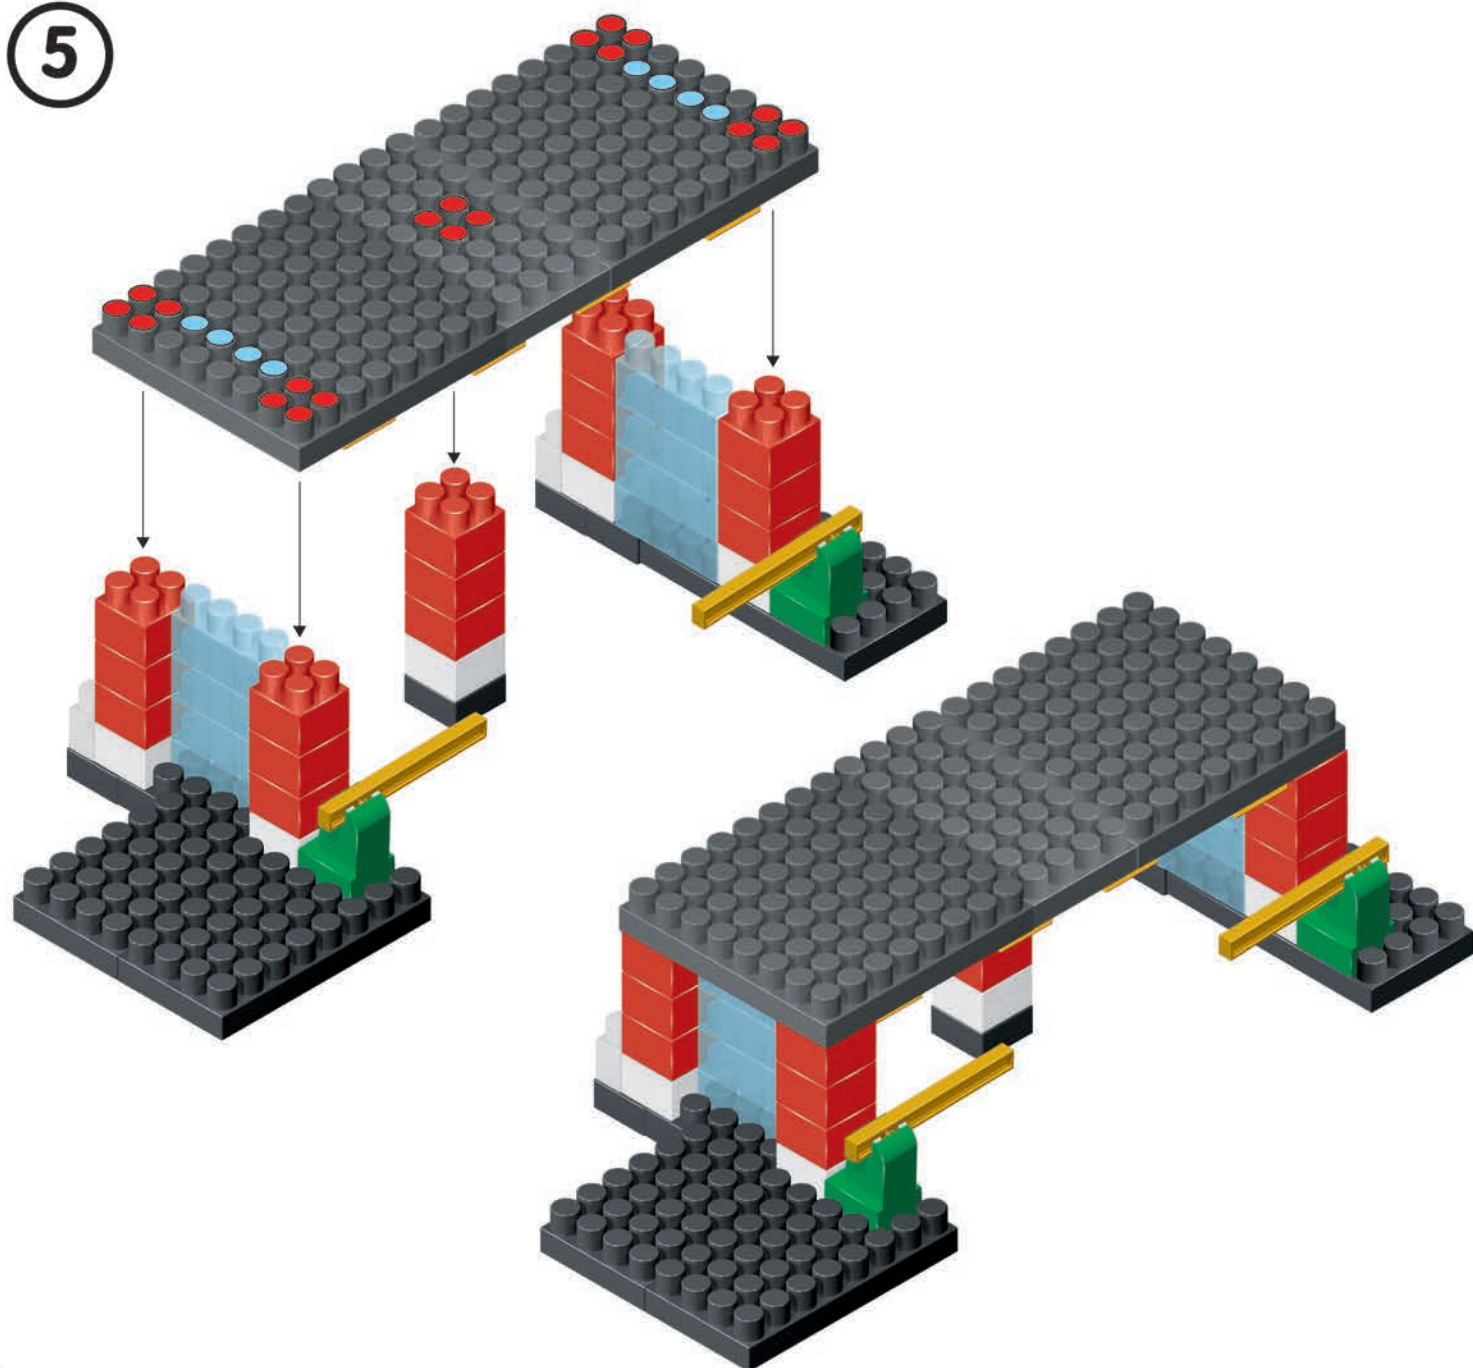

Assembly diagram for step 3: Shows the final assembly of the wall structure. The wall is completed with red 2x3 bricks and light blue 1x6 bricks. The yellow 1x6 brick is placed on top of the wall. The green 1x2 brick is placed on the black base plate. The black base plate has a 4x6 grid of studs, with some studs colored white and green.
